Re: Fee-For-Service Medical Plan Elimination of Pre-Existing Conditions Exclusion

Dear Participant:

Effective February 1, 2014, the Pre-Existing Conditions exclusion in the Fee-For-Service Medical Plan is eliminated (see Article V, section D, p. 16 of the Summary Plan Description). The exclusion barred coverage of “any condition for which treatment was received during the three-month period immediately preceding the employee’s effective date of coverage under the Fee-For-Service Medical Plan.”

If you should have any questions please contact the Administrative Office.

Sincerely,

On Behalf of the Board of Trustees
