Re: VSP Increased Vision Benefit Allowances

Dear Eligible Participant:

The Board of Trustees of the Transportation Communications International Union – Los Angeles Metropolitan Transportation Authority Health & Welfare Trust Fund has recently taken action to increase the benefits offered by the VSP Vision Service Plan. Effective retroactive to **January 1, 2010** the following in network benefit increased allowances and benefits will apply to all eligible participants:

VSP is currently reviewing their records to identify the participants that have incurred services within the VSP provider network and paid out of pocket expenses for the vision services that have now been increased. VSP will reimburse participants directly for the difference between the previous benefit and the increased allowable charges and or new benefits.
