PARTICIPANT PORTAL

The Transportation Communications International Union – Los Angeles Metropolitan Transportation Authority Health & Welfare Trust Fund (the “Fund”) has added a new feature to its webpage. Through the use of the Participant Portal, you will be able to verify your current eligibility for benefits, check your contact information, and see a list of your covered dependents – children and spouse. If you are in the Fund’s Fee-For-Service Medical Plan, you can also check on the status of current and historical claim(s). Due to privacy regulations, you will not be able to access claims information on your spouse or adult dependent children. This information is only available to them by calling the Fund’s Administrative Office at (562) 463-5090 or (800) 427-5342.

The Participant Portal will not let you make any changes to your personal information. Please contact the Fund’s Administrative Office if you need to make any changes.

The Participant Portal is accessible by visiting the Fund’s website at www.tcu-mtawelfare.org or by going to <http://member.bpabenefits.com>. The Participant Portal is a secure website developed to protect your information from improper access. You will need to log on to that site and create a password. Click “Register New User.” You will be asked to provide the following information:

- Valid e-mail address
- Password
- Participant Name
- Social Security Number
- Birth Date
- Zip Code

This information will be used to identify and confirm your ability to access the information being held in our system.

We hope you find the information provided on the website helpful. If you have any questions or problems, please contact the Administrative Office at (562) 463-5090 or (800) 427-5342.
