Re: Mandatory Sav-Rx Prescription Drug Program

Dear Eligible Participant:

As a reminder, participants enrolled in the Transportation Communications International Union – Los Angeles Metropolitan Transportation Authority Health & Welfare Fund's Fee-For-Service Medical Plan **MUST** obtain prescription drugs at Sav-Rx participating pharmacies and use the Sav-Rx Card.

Using Sav-Rx participating pharmacies will reduce prescription drug costs to both participants and the Fund. The manner in which participants submit their prescription drug claims to the Fee-For-Service Medical Plan will not change. Once you have received your prescription at a Sav-Rx participating pharmacy, you should submit your claim and receipt directly to the Fee-For-Service Medical Plan.

If you have any questions regarding this benefit, please contact Sav-Rx at 1-800-228-3108 or contact the Administrative Office at 1-800-427-5342.
